Brand new track from Ed Dunn and Ethan White!

As a follow up to last year's hit "Ready To Love", Ed Dunn (resident of 3 Degrees Global) and Ethan White (Tortured Soul) have teamed together for a second time to bring you their sophomore collaboration "Won't Stop".

"Won't Stop" features Monique Bingham, the incredibly talented writer/performer who got her start working with the likes of Francois K. and Abstract Truth. Less that 10 years later, Monique is already a legend in the house community, having written and performed a string of commercial hits such as "We Had A Thing", "Flight" and "Pure".

This is a deep-house record with major crossover appeal and is sure to be one of the hottest records of the summer. Grab it!
