The Seaport Soul Series will offer the most vibrant music of the global dance community. Some of the best DJ's from the House, Latin and World Music Scenes will play in front of the stunning background of the harbor. Come dance to the music and energy that makes Manhattan sizzle and be part of the Big apple's soulful celebration during this Thursday summer series. Experience the magical sounds with a spectacular view of the Brooklyn Bridge which is having a birthday party this year as it turns 125 years old!

The South Street Seaport has historically been New York's gateway to the world. In that tradition, the soul series will offer musical samplings as diverse as the city itself!

Press is welcomed at this free, outdoor event and interviews are available upon request.
